

Angel Eyes

Dan Seals

There's something I want to tell you
There's something I think you should know
Lately I've been missing you
Regretting letting you go

I thought I could live without you
I thought I could hold back my tears
But late at night I can't help but cry
When I look back on the years

Remember when I kissed you for the first time at New Year
Remember when we made love on the fourth of July
Remember when you told me that you always
Be my one and only angel eyes

Sometimes when I'm reminiscing
Wondering what you're doing now
Those hot summer nights we spent talking
'Bout how we get out of this town

I know that I took you for granted
And maybe you lie once or twice
But after the wounds have been healed and mended
I still need you here by my side

Remember when I kissed you for the first time at New Year
Remember when we made love on the fourth of July
Remember when you told me that you always
Be my one and only angel eyes
