

Blessed

Dan Seals

Blessed is the moment
I wake and see your face
A hundred secret places
In my heart are amazed

You fill me my heart with wonder
You fill my eyes with joy
And blessed is this feeling
That nothing can destroy

Sweet surrender, falling for you
With no hesitation
'Cause I know your heart is true
I'll be tender, and I'll do you right
'Cause blessed is the fortune
That put you in my life

Blessed is the goodness
In everything you do
And Lord only knows why
He made only one you

And blessed is devotion
Like nothing else I've known
I may not know the future
But I know I'm not alone

Sweet surrender, falling for you
With no hesitation
'Cause I know your heart is true
I'll be tender, and I'll do you right
'Cause blessed is the fortune
That put you in my life

You are a miracle, a gift from above
There is nothing on Earth
I would not do
For your love

Sweet surrender, falling for you
With no hesitation
'Cause I know your heart is true
I'll be tender, and I'll do you right
'Cause blessed is the fortune
That put you in my life
