

# Tobacco Road

Dan Seals

I was born in a dump  
Mama died and my daddy got drunk  
Left me here to die or grow  
In the middle of Tobacco Road

But it's home the only life I've ever known  
But the Lord knows how I loathe it so  
Tobacco Road

I'm gonna leave and get me a job  
With the help and the grace from up above  
Make some money get rich I know  
And bring it back to Tobacco Road

Cause you're home the only life I've ever known  
But the Lord knows how I loathe it so  
Tobacco Road

I bring dynamite and a crane  
I blow it up and start all over again  
I build a town be proud to show  
Keep the name of Tobacco Road

Cause you're home the only life I've ever known...
