

Blue Clouds

Daniel Johnston

Feeling your warm body next to mine
Feeling this feeling so fine

I'm a long time healing (2x)

Feeling the wind blowing through your hair
Feeling the sun shining on your face

I'm a long time healing (2x)

Knowing that I'm sure
Knowing there's a way (2x)

Watching your eyes watching me
Feeling my smile in your eyes

I'm a long time healing (2x)

Walking beside you beside me
Juggling these feeling inside

I'm a long time healing
I'm a long time healing

Knowing that I'm sure
Knowing there's a way (2x)

Feeling the sky in the clouds
Knowing what I'm a round

I'm a long time healing (2x)

Thinking things I never thought of
Feeling your warm body next to mine

I'm a long time healing (2x)
