

# I Will Be Free

Daniel Johnston

You walked right beside me  
You didn't have a thing to say  
But you left your mind behind you  
To be resurrected on this great day

Oh yeah...

I'm only here for a short while  
I'll have to go when I am through  
But if there's anything I can do  
Let me know, I'll try the best I can

You sat by your window  
You saw me walking by  
I saw you in your window  
You didn't even wave hi

Oh no...

I've been away from home a long time  
I fought the battles throughout history  
I've come so far just to tell you  
I can see your misery

I walked right beside you  
I didn't have a thing to say  
If I don't do too good tomorrow  
Then please remember yesterday

Oh yeah...

If by chance you say you recognize me  
Maybe it was all a crazy dream  
It probably wouldn't seem important  
If it weren't always in your face

But I know  
And I'll go away before you know it  
I'll go away before you know it

I will be free
