

It's Impossible

Daniel Johnston

It's impossible
Can't make my mind up
You're impossible
You can't make your mind up
It's impossible
But I wish it were so
Ho hoho ho hohoho

It's impossible
How can we get back
It's impossible
Maybe a time warp
It's impossible
But I wish it were so
Ho hoho ho hohoho

Were you mine to hold
To let you disappear
I just can't allow it
And if I saw you dear
All of my dreams would come true

But it's impossible
The miles between us
It's impossible
It's cold and I'm locked up
It's impossible
But I wish it was true
Hoo hoohoo hoo hoohoo

It's impossible
The years have gone by
You're impossible
You're married and you got kids
It's impossible
But I wish it were so
Ho hoho ho hohoho

You have given me a light so strong
I will carry on
But it's no good without you
And if I made a vow
Let me say it now
I love love love love you

But it's impossible
We're so really far away
It's impossible
I wouldn't know what to say anyway
It's impossible
But I wish it were so
Ho hoho ho hohoho

It's impossible
I guess it's impossible
It's impossible
Seem like it's impossible

It's impossible
But I wish it were so
Ho hoho ho hohoho

I didn't know what to do with a girl like you
But you made me so happy
And I am still alive
But you are just a jive
How could love be so unreasonable

It's impossible
Can't make my mind up
You're impossible
You can't make your mind up
It's impossible
But I wish it were so
Ho hoho ho hohoho

It's impossible
How can we get back
It's impossible
Maybe a time warp
It's impossible
But I wish it was so
Ho hoho ho hohoho
