

Crazy Bit Of Reason

Daniel Lavoie

She gives me everything that I had been needing
The crazy bit of reason I was looking for
Giving me joy, giving me sorrow
Making me remember there is no tomorrow
The crazy bit of reason I was looking for

Far down on a hill by a bay in the still
Of a cool clear morning she came to me
She didn't say a word, and all that could be heard
Was her breath as it jumbled the harmony

She gives me everything that I had been needing
The crazy bit of reason I was looking for
Giving me joy, giving me sorrow
Making me remember there is no tomorrow
The crazy bit of reason I was looking for

A morning in June with a pale sinking moon
Loving and believing it was meant to be
With soft sweet cries, Mediterranean skies
We held what we knew of infinity

She gives me everything that I had been needing
The crazy bit of reason I was looking for
Giving me joy, giving me sorrow
Making me remember there is no tomorrow
The crazy bit of reason I was looking for
