

# Tricky Willy

Daniel Lavoie

Why do you say you do when you don't  
Why do you say you will when you won't  
Why do you  
Why do you say you can when you can't  
Why do you say you're hot when you're not  
Why

Feeling tricky, tricky Willy  
Go Willy, don't wait for me  
Go Willy, don't wait for me

Why do you say you're wrong when you're right  
Why do you say you're loose when you're tight  
Why do you  
You do any thing you like  
I'll catch up and be all right

Feeling tricky, tricky Willy  
Go Willy, don't wait for me  
Go Willy, don't wait for me

I might be late who can say  
But Willy you can make it  
Don't wait for me

Feeling tricky, tricky Willy  
Go Willy, don't wait for me  
Go Willy, don't wait for me
