Over

Daniel Schuhmacher

Over it is over
Really over
You should know it

Look at my tattoos what I've been through
And don't talk to me like I'm a nobody
I don't change my life
Cause i'm not willing to disguise
I'm beeing real to you a thing you should be too

I'm so over it
I can't take this shit
Anymore

It's over and done
Over and done
You should realize
How dumb you are
I don't waste my time
Don't waste my time for you
It's so over we're so over
Over and done
Over and done
You should realize
How narcissistic you are
I don't blame myself
Don't blame myself for you
It's so over we're so over

Look into your mirror you're not always a winner
And don't think you're god cause you're not
I'm more than you could ever be
Cause i make it real
I'm someone you should reallly look up to

I'm so over it
I can't take this shit
Anymore

It's over and done
Over and done
You should realize
How dumb you are
I don't waste my time
Don't waste my time for you
It's so over we're so over
Over and done
Over and done
You should realize
How narcissistic you are
I don't blame myself
Don't blame myself for you
It's so over we're so over

I'm so over it
I can't take this shit
Anymore

```
It's over and done
Over and done
You should realize
How dumb you are
I don't waste my time
Don't waste my time for you
It's so over we're so over
Over and done
Over and done
You should realize
How narcissistic you are
I don't blame myself
Don't blame myself for you
It's so over we're so over
```
