

Call To Your Heart

Dannii Minogue

Whooh ah ah, whooh, but you ain't nothin' but a hound dog
Ah-ha, ah-ha, ah-ha, ah-ha, ah-ha, ah-ha
It gets me hype, baby hmm, hmm be-be-baby hmm
Don't stop till you get it right, my heart is putting out
A call to your heart to stop messing around you better start
Yeah givin' me all your love, it gets me hype, my heart
Baby is putting out a call to your heart to stop messing around
You better start yeah, givin' me all your love, it gets me hype
Don't stop tell you get it right ah-ha, are you for real
Acting like you don't care, it's the things you do and the things
You say, I just wanna know, why you treat me this way, baby
I'm not crazy, you're acting real real strange, and playing
Foolish games, you come home late at night, thinkin' it's all right
I just wanna tell you, that you can't play with my heart
My heart, baby is putting out a call to your heart to stop messing
Around, you better start yeah, givin' me all your love, it gets
Me hype, don't stop till you get it right ah-ha, ah-ha ah-ha
Is it fact or fiction, or maybe it's another rendition of the same
Old song that you used to sing, bringing me flowers and diamonds
Hmm don't stop till you get it right, like PT used to say
A sucker born each and everyday, but I'm not the one that's gonna
Sit around and be used by you, I just wanna tell you that you
Can't play with my heart, my heart, baby is putting out a call to
Your heart to stop messing around, you better start yeah
Givin' me all your love, it gets me hype, don't stop till you get
It right ah-ha, you are my lover (lover) and there is no other
(Other) are you steppin' out on me (no no), I give you direction
(Direction) and affection (affection), but you gotta do
The right thing by me, you ain't nothing but a hound dog
Don't stop don't don't don't don't stop, don't don't don't
Don't stop till you get it right, I'm coming uh-ha
You ain't nothing but a hound dog
You ain't nothing but a hound dog
