

Gone

Dannii Minogue

Go-oh-oh-oh-oh-oh-one, I'm go-oh-oh-oh-oh-oh-one, baby...

I can't leave, I can't go
When You look at me and I know what You want

When I see, what You've got
And you leave me begging for bones like a dog

I feel You thump it on my drum
Don't ever leave me hanging on
'Cos it's feeling so right on the wrong side of love

Come and fill me up, till I can't take it anymore
I'm go-oh-oh-oh-oh-oh-one
When I scream Your name
You're giving me the sweetest damn
I'm go-oh-oh-oh-oh-oh-one, I'm go-oh-oh-oh-oh-oh-one
On Your love, on Your love

Baby...
Baby...

When I need, something raw
Gonna take it and twist it, we're breakin' the law

Spill it out, run it off
When You're feeding me honey, I don't want to stop

I feel You thump it on my drum
Don't ever leave me hanging on
'Cos it's feeling so right on the wrong side of love

Come and fill me up, till I can't take it anymore
I'm go-oh-oh-oh-oh-oh-one
When I scream Your name
You're giving me the sweetest damn
I'm go-oh-oh-oh-oh-oh-one, I'm go-oh-oh-oh-oh-oh-one
On Your love, on Your love

I can't tell You where I'm going
Fill me, till I'm overflowing
Spill it out and make me moan
Fill me, till I'm overflowing

Baby, oh baby, baby, baby...

Come and fill me up, till I can't take it anymore
I'm go-oh-oh-oh-oh-oh-one
When I scream Your name
You're giving me the sweetest damn
I'm go-oh-oh-oh-oh-oh-one, I'm go-oh-oh-oh-oh-oh-one
On Your love, on Your love

Baby (on Your love)
Baby (on Your love)
Baby (on Your love)
