

I will not play along  
With things I find unfair  
I will not mount defences  
Against unjust attacks  
This land was never given  
We built this on our own  
Insanity dependant  
Whether we rise or fall  
Whether we rise or we fall  
One for the night, one for uncontrolled

Hold your feet to the ground  
To the end of our time  
For the rest of our lives  
Hold your head on high  
To the end of our time  
For the rest of our lives

Secretly I hope  
That nothing ever comes of this  
And you are not alone  
Wanting to come back  
To a place where it won't matter  
Just what side you're on  
It's when our lines are graded  
What's underneath will overcome  
What's underneath will overcome  
One for the night, one for the uncontrolled

Hold your feet to the ground  
To the end of our time  
For the rest of our lives  
Hold your head on high  
To the end of our time  
For the rest of our lives

Now it's time to stand up tall  
One for the night, one for the uncontrolled

Hold your feet to the ground  
To the end of our time  
For the rest of our lives  
Hold your head on high  
To the end of our time  
For the rest of our lives
