

Glorify Your Name

Darlene Zschech

Jesus, Jesus
Holy One,
God's precious Son
You gave

Jesus, Jesus
On the cross You took my shame
Forever from my heart I'll say

I live to worship You, Lord
My King of Glory
You brought me to life
Give me wings to fly

Jesus, Jesus
On the cross You took my sin
Forever from my heart I'll say

I live to worship You, Lord
My King of Glory
You brought me to life
Give me wings to fly
You are Holy
Heaven and Earth declare Your praise
Both now and evermore
I glorify Your name
