

# Miracle

Darlene Zschech

Seek ye first the kingdom of God  
And all these things will be added unto you  
We walk by faith, not by sight  
Treasure the word, live in your light

For all you ask Is all of me  
My finest God I bring  
All that I have is from your hand  
To you my God I sing

I am ready for a miracle  
I'm expecting a miracle  
That the house of God  
Will be glorious  
And the world will see  
Every harvest starts with a seed of faith  
See the nation rise and take its place  
I am ready, ready for a miracle

From the widows mite  
To the wealth of kings  
With a sacrifice we bring our offering

When this life on earth  
Is said and done  
This truth we know resounds forever

If it's a miracle you need  
Get ready, get ready  
United we rise one heart  
One mind for all you are  
Is all I need I worship and believe
