

# Angel

Darren Hayes

Why am I standing on a cloud\*  
Every time you're around?  
And my sadness disappears  
Every time you are near.

You must be an angel-  
I can see it in your eyes.  
Full of wonder and surprise,  
And just now I realize-

Oooh you're an angel-  
Oooh you're an angel.  
Oooh you're an angel  
In disguise, I can see it in your eyes.

Walking down a crowded avenue,  
All the faces seem like nothing next to you.  
And I can't hear the traffic rushing by  
Just the pounding of my heart and that's why.

You must be an angel-  
I can see it in your eyes.  
Full of wonder and surprise,  
And just now I realize-

Oooh you're an angel-  
Oooh you're an angel.  
Oooh you're an angel  
In disguise, I can see it in your eyes.

Oooh you're an angel-  
Oooh you're an angel.  
Oooh you're an angel  
In disguise, I can see it in your eyes.

You're an angel-  
You're an angel, baby.  
You're an angel-  
You must be an angel.

I believe that dreams come true,  
'Cause you came when I wished for you.  
This just can't be coincidence.  
The only way that this makes sense is that-

Oooh you're an angel-  
Oooh you're an angel, baby.  
You're an angel.  
You must be an angel, baby.  
Baby, baby.  
Clouds just disappear, disappear.  
Baby, baby.

You're an angel, baby.  
You're an angel-  
You're an angel.  
You're an angel, baby.

In disguise, I can see it in your eyes.  
I can see it in your eyes.  
I can see it, I can see it in your eyes.  
In your eyes, eyes, eyes, eyes.
