

# Without The Sun

Dash Berlin

It's so cold around you  
But you don't seem to mind  
Your heart seems indifferent  
I'm trying to break the ice  
I'm waiting now to bring the heat back to life  
You used to ignite me

Without the sun  
I don't know where you are  
I don't know how we get through the dark  
Without the sun  
All the love's running out  
I don't wanna let go of your heart

Without the sun  
Without the sun

It's so cold around you  
But you don't seem to mind  
Your heart seems indifferent  
I'm trying to break the ice  
I'm waiting now to bring the heat  
Back to life  
You used to ignite me

Without the sun  
I don't know where you are  
I Don't know how we get through the dark  
Without the sun  
All the love's running out  
I don't wanna let go of your heart

Without the sun  
Without the sun  
Without the sun

I don't know where you are  
I don't know how we get through the dark  
Without the sun  
All the love's running out  
I don't wanna let go of your heart

Without the sun... sun... sun...

Without the sun

I don't know where you are  
I don't know how we get through the dark  
Without the sun  
All the love's running out  
I don't wanna let go of your heart
