Dashboard Confessional

When I'm back from the road and you're out on it & I'm tired of this distance & I believe it's over-rated. And this phone tag game is endless the novelty is wearing I'm hoping time will pass without any assistance or convincing.

Road rules apply there's so much action, you're getting busy. I'll call your cellular phone to tell you TV night was lonely without you & so am I... so am I.

It seems our day keeps falling on a leap year.

So many high points on this last leg. I can't wait to recount them it seems like nothing's happened until I've shared them with you. The note that you had called says youre half a day away & you are heading home just in time for me to leave.

Road rules apply there's so much action I'm getting busy. So make sure that I'm up to date on TV night, I hate to miss out.

I think I miss you most on Wednesdays & Saturdays.

It seems our day keeps falling on a leap year.
