

What I Meant to Say

Daughtry

I woke up today.
Seeing all the stars that you have thrown.
Wounded by the same old shots you take.
It's easier to kick me when I'm low.

And I just thought that you should know,
I've been holding on while you've been letting go.
Well, it's not too late to say it
right this time
'Cause I know I said I'm sorry,
but that's not what I meant to say.'

Strong enough to say,
that I don't wanna take the hard road now.
So typical of you to walk away,
when your perfect little world is burning down.

And I just thought that you should know,
I've been holding on while you've been letting go.
Can I be so bold.
Cause all this sucking up to you is just getting old.
Well, it's not too late to say it
right this time
'Cause I know I said I'm sorry,
but that's not what I meant to say.'

Ah,
what I really meant to say
with every little breath I take.
I'm not the only one who makes mistakes,
just think of all the ones you made.

And I just thought that you should know,
I've been holding on while you've been letting go.
Can I be so bold.
Cause all this sucking up to you is just getting old.
Well, it's not too late to say it
right this time
'Cause I know I said I'm sorry,
but that's not what I meant to say.'

Can I be so bold.
Cause all this sucking up to you is just getting old.
Well, it's not too late to say it
right this time.
'Cause I know I said I'm sorry,
but that's not what I meant to say.'
