

Everything With Everything

Dave Barnes

Don't you worry
You're gonna make it
Don't you worry
Not a thing
Everybody
Gets that feeling
Sometimes your heart
It disagrees
Ooh, and I know and I know and I know
It gets so hard

Everything with everything's gonna be alright
Everything's gonna be alright
Sometimes the feeling
Gotta, gotta believe it
Everything with everything's gonna be alright
Everything's gonna be alright
If you seek to find it
The sun will always be there shining

Don't you worry
You can take it
Don't you worry
About a thing
'Cause if you got something
That you'll need
Whatever you want [?]
Call on me
I'll remind you one thing
I guarantee

Everything with everything's gonna be alright
Everything's gonna be alright
Sometimes the feeling
Gotta, gotta believe it
Everything with everything's gonna be alright
Everything's gonna be alright
If you seek to find it
The sun will always be there shining

Everything
Is gonna be alright
(Everything's gonna be alright)
(Everything's gonna be alright) Sing it
Everything
Is gonna be just fine
(Everything's gonna be just fine)

Everything with everything's gonna be alright
Everything's gonna be alright
Sometimes the feeling
Gotta, gotta believe it
Everything with everything's gonna be alright
Everything's gonna be alright
If you seek to find it
The sun will always be there shining
