

Down, Down, Down

Dave Edmunds

I've got a train to catch
I've got girl to fetch

I've got a head sound of blitz
That's where I like the best

I've gotta move pretty fast
I've gotta train to catch

I've gotta go with my girl
She says the case's in the world

And I feel like I'm gonna go down down down
And I feel like I'm gonna go round round round
And I feel like I'm gonna go down

I won't believe this morning
I had a vision of you

Saying I'm lonely, telling me you're blue
So I ride like I was *
And I ride like I was high
I ride this stay, cause I'm headed for L.A

And I feel like I'm gonna go down down down
And I feel like I'm gonna go round round round
And I feel like I'm gonna go down

And I feel like I'm gonna go down down down
And I feel like I'm gonna go round round round
And I feel like I'm gonna go down

And I feel like I'm gonna go down down down
And I feel like I'm gonna go round round round
And I feel like I'm gonna go down

And I feel like I'm gonna go down down down
And I feel like I'm gonna go round round round
And I feel like I'm gonna go down
