

I Want You Bad

Dave Edmunds

Lately it's been driving my mad,
Cause you're the best thing that I ever had

Oh, I want you,
Oh, I want you bad

Well Come on,
Let's give it a word,
We can shake of the whole our world

Yeah, I want you,
Oh, I want you bad

I'm alright now with things to do,
I've got no other friends but you

Never, Never too sad,
for the make you,
feel so glad

Oh, I want you,
Oh, I want you bad

I'm alright now with things to do,
I've got no other things but you

Thinking,
I wanna loose my head,
You know the phone-line is taking too much grade

Oh, I want you,
Oh, I want you bad

Lately it's been driving my mad,
Cause you're the best thing that I ever had

Oh, I want you,
Oh, I want you bad

Oh, I want you,
Oh, I want you bad
