

## To Be Free

Dave Mason

See me then you breathe me  
As we turn to face the truth  
In love with love  
Was long ago  
And long ago was you  
Searching for a feeling  
Like the movement of the sea  
Like a wheel within a wheel  
Only man and woman see  
Of life are burning  
If you want them to  
Saw a time of meaning  
My confusion was removed  
Saw a dream revealing  
All the secrets that it knew  
Take the time to pause  
Just to see the awe  
Take the time to be free
