

# Angel

Dave Matthews Band

I call you up  
You pick up  
You call my bluff  
On the card to love  
You hold too close  
Your hands to your chest  
I can read your eyes  
But I confess  
It's lonely far from you, oh

Even when you're right by me  
It's only why I wait for you  
To take my hand

Why do I beg like a child for your candy?  
Why do I come after you like I do, I love you?  
Wherever you are  
I swear  
You be my angel  
You

I play my cards the best I can  
But I lose my luck when you're not here  
My darling heart  
Won't you please give in?  
I may be strong  
But I want you back again

When you're not here it's hard to pretend  
It's all alright again  
When you're not here love it's hard to pretend  
It's all alright but still  
Why do I beg like a child for your candy?  
Why do I run after you like I do, I love you?  
Whatever you are  
I swear  
You be my angel, you

Watch the deck  
Count your cards  
Makes no sense  
That I'm always losing  
When you're gone

Why do I beg like a child for your candy?  
Why do I come after you like I do, I love you  
Whatever you are  
I swear  
You'll be my angel, you  
When you're gone
