

## Eh Hee

Dave Matthews Band

Father gone and I'm heading  
It's a bold side of it again  
When you decide to go to him  
And the people toasting away  
And the people all sitting there, c'mon  
Everybody gonna come on in  
Like, like c'mon in, yeah, yeah  
Everybody gonna come on in  
Y'all it's you wanna c'mon, sir

Praise God who has many names  
The devil have many more  
With the love that my mother gave me

I'm gonna drop the devil to the floor  
I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees

The problem is someone will try to convince you  
That they know the answer no matter the question  
Be wary of those who believe in a neat little world  
Cause it's just fucking crazy you know that it is

Eh hee yeah amanaya yeaha yeah eh eh amana  
Eh hee yeah amanaya yeaha yeah eh eh amana

Walking along in this haze of confusion  
Sometimes I collect, sometimes it takes all of my strength  
Just to find enough reason to take the next step, step  
But I will, but I will, till I do

Eh hee yeah amanaya yeaha yeah eh eh amana  
Eh hee yeah amanaya yeaha yeah eh eh amana

Brother, sister

Praise God who has many names  
The devil have many more  
With the love that my mother gave me

I'm gonna drop the devil to the floor  
I'm gonna drop the devil to his knees  
I'm gonna drop the devil to his knees

Strange evolution how people have come to believe  
That we are it's greatest achievement  
When really we're just a collection of cells  
Overrating themselves  
Oh God I'm avoiding the

Strange evolution how people have come to believe  
That we are it's greatest achievement  
We're barely, we're just a collection of cells  
Overrating themselves  
Hello God I'm avoiding the truth
