## Dave Matthews Band

With fire to keep us warm  
and tools we made from rocks and bones  
A roof over your head  
and walls to keep you safe in bed  
There must be more than this  
So God was born  
and we in his image of fear and love  
looked down upon from up above

We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
if we wanna see the world change

We crossed the oceans wide  
built cities to the sky oh Lord  
Looked up and we were flying  
but will we not survive ourselves

We gotta do much more than believe  
if we wanna see the world change  
We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
go on try it, go on try it  
We gotta do much more than believe  
if we wanna see the world change

What will I say to my baby  
Let me show you a movie  
we landed a man on the moon  
Now you could never believe it  
ya we could do anything  
We flew to the stars and back  
down to the ground hard

Please wake up  
Please wake up  
Please wake up

(children singing)

We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
if we really wanna change things  
We gotta do much more than believe  
if we really wanna change things

(Children and Dave singing)

We gotta do much more than believe  
go on try it, go on try it  
We gotta do much more than believe  
if we really wanna change things

We gotta do much more than believe  
go on try it, go on try it  
We gotta do much more than believe  
if we wanna see the world change

Oh my little baby  
let me show you this movie  
You know we landed a man on the moon  
I know it's hard to imagine  
but we could do anything  
under the stars.
