Sweet

Dave Matthews Band

Try to swim, keep your head up
Kick your legs never give up, boy
If I could I'd turn it around
Let me out I wanna get out now
You know the feeling when you're in too deep
And then you make it out the taste so sweet
Sweet
Sweet

I'm too high I wanna come down
And I'm too old to want to be younger now
But if I could I'd turn it around
Let me out I want to get out now

You know the feeling when you're in too deep
And then you make it out the taste so sweet
Sweet
Sweet

Cover me, cover me, cover me
Till I'm gone
Cover me, cover me, cover me
Till I'm gone
Cover me, cover me, cover me
Till I'm gone
Gone

And if I could I'd turn it around yeah
You know the feeling when you're in too deep
And then you make it out it tastes so sweet
