

# What Would You Say

Dave Matthews Band

**A G**

- A G**  
1. Up and down the puppies' hair  
**A G**  
fleas and ticks jump everywhere 'cause of original sin  
**A G**  
down the hill fell jack and jill  
**A G**  
and you came tumbling after 'cause of original sin  
**F G Ami G**  
Rip away the tears drink a hope to happy years  
**F E F G A**  
and you may find a lifetime's passed you by

**G A**  
R: What would you say don't drop the big one  
**G A G**  
if you a monkey on a string drop don't cut my lifeline  
**A G**  
if you a doggie on a chain don't bite the mailman  
**A**  
what would you say

2. I was there when the bear ate his head  
thought it was a candy everyone goes in the end  
knock knock on the door who's it for  
there's nobody in here look in the mirror my friend

I don't understand at best and cannot speak for all the rest  
the morning's rise a lifetime's passed me by

R: What would you say...

Every dog has its day every day has its way of being forgotten  
mom--it's my birthday what would you say  
what would you say
