

You Can Count On Me

David Allan Coe

You can count on me, girl
You can count on me
I won't ever let you down
You can count on me

You say you want a working man
To bring the money home
Someone to be good to you
And never do you wrong

A man that wants to settle down
And put his feet on solid ground
You want a love that's safe and sound
You can count on me

You say you're looking for a man
To be there when you call
Someone who will stand by you
And never let you fall

A man that you can call your own
A man that you can trust alone
To love when the children's grown
You can count on me
