

Nothing Else Better To Do

David Archuleta

(Ey, ey, ey, ey, ey, ey)
Ey, ey, ey, ey, ey, ey

Sometimes when you talk
I don't hear a thing, don't take it wrong
I look at your face and bells start to ring
Then my mind's gone

If I was a fire
You would make me burn
Hey, ey, hey

It doesn't take much for you
To break down my gravity
You got my heart stuck
Stuck on a cloud and I can't speak

But if I was a book
You'd be every word
Hey, ey, ey

Twenty five hours every day
I got nothing else better to do
Than watching the smile light your face
It doesn't get better than you

All that we need is a starlit sky
And you and me, oh, oh, oh, oh, oh
It's true, I got nothing else better to do
Ey, ey, ey, ey, ey, ey

An island of green and blueberry eyes
Wish we were there
But you make me feel I'm in paradise
Anywhere

If I was a song
You would make me sing
Hey, ey, ey, yeah

Twenty five hours every day
I got nothing else better to do
Than watching the smile light your face
It doesn't get better than you

All that we need is a starlit sky
And you and me, oh, oh, oh, oh, oh
It's true, there's nothing else better

You're velvet on a red cupcake
Sound a cello & a violin make, ooh, ooh

You put the rings around the moon
And every single time I'm close to you
Whoa, ey

Twenty five hours every day

Ey, hey
Watching the smile light your face
Yeah, yeah

Twenty five hours every day
I got nothing else better to do
Than watching the smile light your face
It doesn't get better than you

All that we need is a starlit sky
And you and me, oh, oh, oh, oh, oh
It's true, I got nothing else better to do

(Oh, oh, oh)
Ey, ey, ey, ey, ey, ey
Got nothin' else better to do
(Oh, oh, oh)
Ey, ey, ey, ey, ey, ey
I got nothin' else better to do

There's nothin' else better
(Better)
Better to do
