Nothing Else Better To Do

David Archuleta

(Ey, ey, ey, ey, ey, ey) Ey, ey, ey, ey, ey, ey

Sometimes when you talk I don't hear a thing, don't take it wrong I look at your face and bells start to ring Then my mind's gone

If I was a fire You would make me burn Hey, ey, hey

It doesn't take much for you To break down my gravity You got my heart stuck Stuck on a cloud and I can't speak

But if I was a book You'd be every word Hey, ey, ey

Twenty five hours every day I got nothing else better to do Than watching the smile light your face It doesn't get better than you

All that we need is a starlit sky And you and me, oh, oh, oh, oh, oh It's true, I got nothing else better to do Ey, ey, ey, ey, ey

An island of green and blueberry eyes Wish we were there But you make me feel I'm in paradise Anywhere

If I was a song You would make me sing Hey, ey, ey, yeah

Twenty five hours every day I got nothing else better to do Than watching the smile light your face It doesn't get better than you

All that we need is a starlit sky And you and me, oh, oh, oh, oh, oh It's true, there's nothing else better

You're velvet on a red cupcake Sound a cello & a violin make, ooh, ooh

You put the rings around the moon And every single time I'm close to you Whoa, ey

Twenty five hours every day

Ey, hey Watching the smile light your face Yeah, yeah

Twenty five hours every day I got nothing else better to do Than watching the smile light your face It doesn't get better than you

All that we need is a starlit sky And you and me, oh, oh, oh, oh, oh It's true, I got nothing else better to do

(Oh, oh, oh)
Ey, ey, ey, ey, ey, ey
Got nothin' else better to do
(Oh, oh, oh)
Ey, ey, ey, ey, ey, ey
I got nothin' else better to do

There's nothin' else better (Better) Better to do
