

# Senseless

David Archuleta

You're telling me it's over now  
It's like you turned the volume down  
Now I can't even hear a sound.  
Looks like you're about to leave  
Now it's getting kinda dark to me  
Cuz that ain't something I can see.  
It's like I'm getting worse everyday  
Girl I'm breaking down.  
Got my heart on the floor  
And I can't feel it,  
Everything's numb.

Now I'm senseless  
Got no feelings left.  
My pain won't let this heart beat in my chest,  
Now I'm senseless.  
Why are we doing this?  
I'm so losing it, oh oh, senseless.

Feels like I lost your love  
Since I had to give you up.  
And now I'm so outta touch, yeah.  
The other day I smelled your scent,  
It came across like punishment  
A bitter taste is lingering.  
My senses have seemed to escape  
All the feeling's gone.  
I'm cold and I'm lost no direction everything's numb.

Think it smells like rain water on the floor but I don't know coz I'm so gone.  
I can't even see tomorrow comin up cant even hear my self scream.  
cant even fell anything I would die to love you if I could coz girl I'm so senseless.
