

# Big Brother

David Bowie

Don't talk of dust and roses  
Or should we powder our noses?  
Don't live for last year's capers  
Give me steel, give me steel, give me pulsars unreal

He'll build a glass asylum  
With just a hint of mayhem  
He'll build a better whirlpool  
We'll be living from sin,  
then we can really begin

Please saviour, saviour, show us  
Hear me, I'm graphically yours

[CHORUS]

Someone to claim us, someone to follow

Someone to shame us, some brave Apollo

Someone to fool us, someone like you  
We want you Big Brother, Big Brother

I know you think you're awful square

But you made everyone and you've been every where  
Lord, I'd take an overdose if you knew what's going down

[CHORUS (3x)]

We want you Big Brother
