

I Would Be Your Slave

David Bowie

Walking in the snowy street
Let me understand
Drifting down a silent park
Stumbling over land
Open up your heart to me
Show me who you are
And I would be your slave

Do you sleep in quietude?
Do you walk in peace?
Do you laugh out loud at me?
No one else that is free
Open up your heart to me
Show me all you are
And I would be your slave

I don't sit around and wait
I don't give a damn
I don't see the point at all
No footprints in the sand

I bet you laugh out loud at me
A chance to strike me down
Give me peace of mind at last
Show me all you are
Open up your heart to me
And I would be your slave

I don't sit and wait
I don't give a damn
I don't see the point at all
No footprints in the sand
I would give you all my love
Nothing else is free
Open up your heart to me
And I would be your slave
