

# Word on a Wing

David Bowie

In this age of grand illusion  
You walked into my life  
Out of my dreams  
I don't need another change  
Still you forced your way  
Into my scheme of things

You say we're growing,  
Growing heart and soul  
In this age of grand illusion  
You walked into my life  
Out of my dreams  
Sweet name, you're born once again for me  
Sweet name, you're born once again for me  
Oh sweet name, I call you again  
You're born once again for me  
Just because I believe, don't mean I don't think as well  
Don't have to question everything  
In heaven or hell

Lord, I kneel and offer you  
My word on a wing  
And I'm trying hard to fit  
Among your scheme of things

It's safer than a strange land  
But I still care for myself  
And I don't stand in my own light  
Lord, Lord, my prayer flies  
Like a word on a wing  
My prayer flies  
Like a word on a wing  
Does my prayer fit in  
With your scheme of things?

In this age of grand illusion  
You walked into my life  
Out of my dreams  
Sweet name, you're born once again for me  
Just as long as I can see, I'll never stop this vision flowing  
I look twice and you're still flowing  
Just as long as I can walk  
I'll walk beside you, I'm alive in you  
Sweet name, you're born once again for me  
And I'm ready to shape the scheme of things

Ooh, ready to shape  
The scheme of things  
Ooh, ready to shape  
The scheme of things  
Ooh, ready to shape  
The scheme of things  
Ooh, ready to shape  
The scheme of things

Lord, I kneel and offer you  
My word on a wing

And I'm trying hard to fit  
Among your scheme of things

It's safer than a strange land,  
But I still care for myself  
And I don't stand in my own light

Lord, Lord, Lord, my prayer flies  
Like a word on a wing  
And I'm trying hard to fit  
Among your scheme of things

It's safer than a strange land,  
But I still care for myself  
And I don't stand in my own light

Lord, Lord, my prayer flies  
Like a word on a wing  
My prayer flies like a word on a wing  
Does my prayer fit in  
With your scheme of things?
