

# It's Not Dark Up Here

David Byrne

There's nothing funny about making money well  
It wouldn't work if it was  
There's nothing funny about going to heaven  
And there's nothing funny about love

Hey! It's not dark up here  
Hey! It's not very far  
Hey! It's cool in my house  
Hey! It's loud in my car

It costs money if you want to party  
And it costs money if you want to look  
The Baptist Church is a highschool  
My hairdresser, she gives me the news

Hey! It's not dark up here  
Hey! It's not very far  
Hey! It's cool in my house  
Hey! It's loud in my car

There's only one way to read a book  
And there's only one way to watch tv

Well there's only one way to smell a flower  
But there's millions of ways to be free

Does winter follow spring  
Like night follows day  
Must a question have an answer  
Can't there be another way

Would you like to talk about it  
Would you like to pull my hair  
Plants have roots  
But I don't know if they're deep enough to make me stay

Does winter follow spring  
Like night follows day  
Must a question have an answer  
Can't there be another way

Hey! It's not dark up here  
Hey! It's not very far  
Hey! It's cool in my house  
Hey! It's loud in my car, hey!
