

Fever

David Cassidy

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear.

You give me fever when you kiss me
Fever when you hold me tight (you give me fever)
Fever in the mornin'
Fever all through the night.

You give me fever
(You give me fever)

Sun lights up the day time
Moon lights up the night
I light up when you call my name
I know you're gonna treat me right.

You give me fever when you kiss me
Fever when you hold me tight
Fever in the mornin'
Fever all through the night
Come on, fever.

You give me fever
(You give me fever)

Everybody's got the fever
That is somethin' we all know
Fever isn't such a new thing
Fever started long time ago.

You give me fever

Sun lights up the day time
Moon lights up the night
I light up when you call my name
I know you're gonna treat me right.

You give me fever in the mornin'
Fever all through the night
