Say You Love Me

David Coverdale

(Coverdale) If I could see before my time ends The smile you gave me before the pain I could accept the world of darkness Never see the sun again...

Never ever gonna leave ya, so dry your eyes and smile again Say the words I need to hear... Say you love me, say you love me Say that you need me, I can`t take it anymore...

But I know I must be strong, to keep believe in right or wrong... I`ve got time but I can`t wait too long want to get you home where you belong...

Say you love me, say you love me I can't take it anymore... Say you love me, baby, baby, baby Say you love me... Say that you need me, I can't take it anymore...

Say you love me, say you love me I can`t take it, I can`t take it anymore... Say you love me, oh baby Say you love me... Say that you need me, I can`t take it anymore...

I can`t take it anymore...
