

# All Around Me

David Crowder Band

My hands are searching for You  
My arms are outstretched towards You  
I feel You on my fingertips  
My tongue dances behind my lips for You

This fire rising through my being  
Burning, I'm not used to seeing You

I'm alive, I'm alive

I can feel you all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing

My hands float up above me  
And You whisper You love me  
And I begin to fade  
Into our secret place

The music makes me sway  
The angels singing say we are alone with You  
I am alone and they are too with You

And so I cry  
The light is white  
And I see You

I'm alive, I'm alive, I'm alive

Take my hand, I give it to you  
Now you own me, all I am  
You said You would never leave me  
I believe You, I believe
