

God Almighty, None Compares

David Crowder Band

Glory and honor, wisdom and power
Grace and fury, splendor and might
O You are splendor and might
Matchless beauty, endless light

All heaven's ringing
All the angels are singing
All heaven's ringing
All the angels are singing

You are all I need
You're my everything
God almighty
God almighty

None compares to You
None compares to You
There is none like You
Holy, holy God almighty

All heaven's ringing
All the angels are singing
All heaven's ringing
We join in the singing

You are all we need
You're our everything
No one greater
No one higher
