

Oh, Happiness

David Crowder Band

Oh, happiness
There is grace enough for us
And the whole human race

From the full streams
Of Your care
All who come
Begin again

Hard or friend
Rich or poor
All who need
Need fear no more

Such a thing to give away

All regrets
Let go, forget
There's something that
Mends all of that

Such a thing to give away

Sound the church bells
Let 'em ring
Let 'em ring
For everything can be redeemed
We can be redeemed
All of us
