

Sequence 5

David Crowder Band

You left me in the dark
Not so much as a spark
You left me in the dark
You left me in the dark

You left me in the cold
Left me here on my own
Left me in the cold
Left me in the cold

You left me on my own
You left me all alone
You left me on my own
You left me on my own

You left me when I gave You all that I had
You left me when I gave You all that I had

Oh save a place for me
To Your right hand upraise me
Oh save a place for me
To Your right hand upraise me
