Would this do

**C6 Emi7**

to make it all right..

**C6 Emi7**

While sleep has taken you

**C6 Emi7**

where I'm out of sight..

**Dmi7 G**

I'll make my getaway..

**Fmaj7 G**

Time on my own..

**Dmi7 G**

Search for a better way

**Fmaj7 G**

to find my way home..

To your smile..

**C6 Emi7 Ami7 Ami7/G**

Wasting days and days

on this night..

Always down and up

half the night..

Hopeless to reminisee..

Through the dark hours..

We'll only sacrifice..

What time will allow us..

You're sighing... sighing

All alone

though you're right here..

Now it's time to go..

From your sad stare..

Make my getaway..

Time on my own..

Needing a better way

to find my way home..

To your smile..
