Search for a better way

to find my way home..

To your smile..

Wasting days and days on this night..

Always down and up

half the night..

Hopeless to reminisee..

Through the dark hours..

We'll only sacrifice..

What time will allow us..

You're sighing... sighing

All alone

though you're right here..

Now it's time to go..

From your sad stare..

Make my getaway..

Time on my own..

Needing a better way

to find my way home..

To your smile..
