## There's No Way Out of Here

## **David Gilmour**

There's no way out of here, when you come in you're in for good There was no promise made, the part you've played, the chance y ou took

There are no boundaries set, the time and yet you waste it stil

So it slips through your hands like grains of sand, you watch i t go

There's no time to be lost, you'll pay the cost, so get it righ t

There's no way out of here, when you come in you're in for good

And never was there an answer, there an answer Not without listening, without seeing

There are no answers here, when you look out you don't see in There was no promise made, the part you've played, the chance you took

There's no way out of here, when you come in you're in for good

And never was there an answer, there an answer Not without listening, without seeing

There's no way out of here, when you come in you're in for good There are no answers here, when you look out you don't see in There was no promise made, the part you've played, the chance you took

(There's no way out of here, when you come in you're in for goo d)

(There's no way out of here, when you come in you're in for goo d)

(There are no answers here, when you look out you don't see in) (There's no way out of here, when you come in you're in for goo d)

(There's no way out of here, when you come in you're in for goo d)

(There's no way out of here...)
