

# Mutineers

David Gray

You know the way it is  
These thoughts are mutineers  
Trying to shake the monkey off my back  
So beat the island drum  
And steady as she come  
And all the stores are closing for the lack  
To drink the damn place dry  
Only plan of attack

And Babe  
Sure feels good  
Sure feels good  
This moving close  
This moving close  
Sure feels good babe

And Hey  
What could they know  
What could they know  
Bout what we have  
Yeah what we have  
What could they know Babe?

The early warning signs  
All lit up in my mind  
It's true you know  
Some things weren't meant to be  
Until your secret's out  
It's your worst enemy

And Babe  
Sure feels good  
Sure feels good  
This moving close  
This moving close  
Sure feels good babe

And Hey  
What could they know  
What could they know  
Bout what we have  
Yeah what we have  
What could they know Babe?

Time is ours to burn  
Is ours to burn  
We got that glide  
That freewheel glide  
It's ours to burn babe

Oh Babe  
Sure feels good  
Sure feels good  
This moving close  
This moving close  
Sure feels good babe
