Baby When the Light

David Guetta

In spite of all the consequence In spite of all my pride In spite of little things you said That hide me deep inside

I believe your love, I breathe your love Like the air in the morning I sleep your love, I salute your love And I can't get away

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you

The lights of all you see
You could have overcome all this
And I still can't get over you
Are you someone I'll forever miss

I believed your love, I can feel your love And it's all that I wanted I sleep your love, I salute your love And I can't get away

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you

And there's the dark begins to rain The sound is heavy on me Baby, when the lights go out I need you

Under the spell
I wanna be under your touch
Under the spell
I wanna be under the rush

Baby, when the lights go out Baby, when the lights go out

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you

Baby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you
