Love Is Gone

David Guetta

Now that the love is gone

What are we supposed to do After all that we've been through When everything that felt so right is wrong Now that the love is gone?

Love is gone

What are we supposed to do After all that we've been through When everything that felt so right is wrong Now that the love is gone?

There is nothing left to prove No use to deny this simple truth Can't find the reason to keep holding on Now that the love is gone, love is gone

Now that the love is gone What felt so right's so wrong Now that the love is gone

I feel so hurt inside Feel so hurt inside Got to find the reason

What are we supposed to do After all that we've been through When everything that felt so right is wrong Now that the love is gone?

There is nothing left to prove No use to deny this simple truth Can't find the reason to keep holding on Now that the love is gone, love is gone

Got to find a reason Got to find a reason Got to find a reason to hold

Love, there's nothing left for us to say, yeah Love, why can't we turn and walk away?

What are we supposed to do After all that we've been through When everything that felt so right is wrong Now that the love is gone?

There is nothing left to prove No use to deny this simple truth Can't find the reason to keep holding on Now that the love is gone, love is gone

Love is gone
