You shout it loud
     Am
but I cant hear a word you say
                G Am F
Im talking loud not saying much
    G
                  Am
Im criticized but all your bull is brick of shame
                      G Am F
you shoot me down, but I get up
Im bulletproof nothing to lose
              Αm
fire away, fire away
                      G
                           Em
brick of shame, take your rain
             Am
fire away, fire away
                        G
you shoot me down but I wont fall
       Am F
I am titanium
you shoot me down but I wont fall
           Am F
I am titanium
I am titanium
Cut me down
but is you who had offered there to fall
ghost town, haunted love
raise your voice, sticks and stones may break my bones
Im talking loud not saying much
Im bulletproof nothing to lose
fire away, fire away
brick of shame, take your rain
fire away, fire away
you shoot me down but I wont fall
I am titanium
you shoot me down but I wont fall
I am titanium
I am titanium
Stone-hard, machine gun
firing at the ones who rise
stone-hard, thus bulletproof
You shoot me down but I wont fall
I am titanium
you shoot me down but I wont fall
I am titanium
you shoot me down but I wont fall
I am titanium
```

you shoot me down but I wont fall
