

## Dear Hate

David Hodges

Dear Hate

I saw you on the news today  
Like a shock you took my breath away  
You fall like rain, cover us in drops of pain  
I'm afraid that we just might drown

Dear Hate

Well, you sure are colorblind  
Your kiss is the cruelest kind  
You could poison any mind  
Just look at mine  
Don't know how this world keeps spinning 'round and 'round

You were there in the garden, like a snake in the grass  
I see you every morning staring through the looking glass  
You whisper down through history and echo through these halls  
But I hate to tell you, love's gonna conquer all

Dear Hate

You were smiling from that Selma bridge  
In Dallas, when that bullet hit and Jackie cried  
You pulled those towers from the sky  
But even on our darkest nights  
The world keeps spinning 'round

You were there in the garden, like a snake in the grass  
I see you every morning staring through the looking glass  
You whisper down through history and echo through these halls  
But I hate to tell you, love's gonna conquer all

Ooh ooh ooh

Ooh ooh ooh

Dear Love

Just when I think you've given up  
You were there in the garden when I ran from your voice  
I hear you every morning through the chaos and the noise  
You whisper down through history and echo through these halls  
And you tell me love's gonna conquer all

It's gonna conquer all
