

I Want You

David Lynch

I-
i-
i want you

oh-
oh-
love you so

i-
i-
i want you
make
you mine

hold
you tight
hold
you tight

i want you
want you

i-
i-
i love you
so

make you mine
make you mine

hold
you tight
hold
you tight

all the time
all the time

work it baby
don't stop

i want you
i want you
i want you
i want you

love you so
i love you so
i love you so

hold
you tight
hold
you tight

love
come back

love
come back

i want you
